**COACHES UPGRADE HOURS**

# **DRESSAGE THROUGH THE LEVELS**

*with “M” judge Alastair Buchanan and coach Leslie Reid*

All EC and USDF recognized competitions will be using the new 2011 tests starting December 1st 2010. Come out and hear from a judge’s perspective how the tests have changed and see them ridden by BCYR members. Then watch and listen as coach Leslie Reid works with each rider to improve their test skills.

There are several changes to the tests and marking for 2011 and this clinic will help you get a jump on the show season!

Coaches, judges, riders and dressage enthusiasts are all welcome to attend.

Coaches will receive updating hours for attendance.
